Transcription from video:

[upbeat music playing throughout, no dialogue]

[Video shows a man wearing a pair of Sealz sunglasses with the ocean in the background]

[Blue powder thrown on his face.]

[The footage of him having powder thrown on his face is playing in reverse and replayed three times.]

[The Sealz logo appears under his face]

[Then he takes off the Sealz sunglasses, you can see the area covered by the Sealz is completely clear of powder. The rest of his face is covered in powder.]

[He then smiles at the camera].

[Image shifts to Enterprising Australians logo].

[End of video]
