This is Gary.

[Gary waves and holds up a wine glass]

He was making some wine one day.

[Gary sips the wine and looks disgusted]

But he messed up.

[Gary tips the wine onto the table. It is congealed, and lands with a loud splat. Gary looks concerned]

He wondered, how can I fix my mistake?

[Gary looks at congealed wine and rubs chin thoughtfully.]

He then realised it can be used as a fabric.

[Gary looks up, raises a finger in the air, and a cartoon lightbulb appears above his finger.]

[Image cuts to female model in a white dress with complex design.]

[Image switches to a model in a wine-red sheath dress.]

[Image switches to a model in a different white dress with silver embellishments, who is holding a glass of white wine in one hand a bottle of wine in the other hand. The words “Find Out How” are on top of the image.]

[Image shifts to Enterprising Australians logo].
