Transcription from video:

[intro music]

Hamish: My name is Hamish Finlayson.

[Image of Hamish standing in a workspace.]

I'm 13 and I am an entrepreneur app developer.

[Images of Hamish designing an app using layers of coloured paper. There is also a picture of a cartoon turtle and a sign saying "Keep Queensland beautiful."]

[Cuts to a short video of the turtle jumping in the finished app on a tablet screen.]

An entrepreneur is someone who is trying to make something new.

[Image shift to a picture of Hamish holding a cushion with "If you dream big enough anything can come true" printed on it.]

Something different. Something revolutionary.

[Image shifts to Enterprising Australians Logo.]
