Transcription from video:

[Dramatic, heartbeat-like music.]

[The words “Would You” appear on a black background.
Inside the words is footage of writhing mealworms.]

[Meg takes a mealworm out of a container being held by Olympia.]

[The word “Eat” appears on a black background. Inside the words is footage of
writhing mealworms.]

[Meg holds the mealworm near her mouth several times, almost but not quite
managing to put it in her mouth. Olympia looks amused.]

[The word “This” appears on a black background. Inside the words is very close-up
footage of writhing mealworms.]

[Meg holds a mealworm right near her mouth and looks determinedly into the
distance.]

[Footage of a large tub full of mealworms, all writhing on top of each other.]

[Several quick cuts between mealworm footage, and Meg slowly opening her
mouth and moving the mealworm toward it. The music heightens.]

[Meg puts the mealworm in her mouth. The video cuts to black with a crisp
crunching noise.]

[A gloved hand runs through a tub of dirt, revealing hundreds of young
mealworms, with the words “Find out how Goterra is using insects to provide for
the future” overlaid.]

[Enterprising Australians logo appears.]
