Questacon Governance

Questacon – The National Science and Technology Centre, operates as a distinctively branded division of the Australian Government Department of Industry, Innovation, Climate Change, Science, Research and Tertiary Education (DIICCSRTE). Questacon’s programs and exhibitions are developed in response to the Australian Government’s strategic priorities.

Questacon has an Advisory Council, appointed by the Minister, comprising of representatives from the business, science and education sectors. The Council assists Questacon to set strategic direction and members play an advocacy role for Questacon within their professional sectors.
