Questacon Science Squad Activity – Bubble mix recipe

The video for this transcript can be found on the Questacon Science Squad website at:  
http://sciencesquad.questacon.edu.au/activities/

Transcription of video:
(Sound of bubbles popping)

Rachel: Hi everyone, my name’s Rachel and I work with the Questacon Science Squad.

Today we’re going to show you how to make beautiful bubbles and how to make a bubble wand.

(Camera pans down to coat hanger and container of bubbles)

You need:
• either a piece of wire or an old coat hanger

Straighten out the coat hanger and shape it into any shaped bubble wand you like. Today I’ve made a square shaped bubble wand.

(Rachel picks up the wand)

Dip it into your bubble mix, stand back and make some beautiful bubbles.

(Rachel dips wand into mix and attempts to make bubbles)

Woops! Oops! Do it again. Oh look at that one. Pop.

(Rachel pokes bubble)

And, one more. There.

(Rachel gasps).

Now you have your bubble wand, you can learn to make our awesome bubble mix by visiting the Questacon Science Squad website. See you next time.
