

Love letters to the Earth

THE EARTH IS OUR HOME - THE ONLY ONE WE'VE GOT

The iconic 'Earthrise' image, taken from Apollo 8 in 1968 gave us our first glimpse of our unique and beautiful planet. To celebrate the 50th anniversary of 'Earthrise' Questacon invites you to

♥ **WRITE A LOVE LETTER TO THE EARTH.** ♥

Tell us what Earth means to you, what you love about it, and what you hope for the future.

Letters will be displayed in our new space gallery and online from December 2018 to April 2019.*

For us to include your letter please:

1. Write it by hand;
2. Use only one side of the paper;
3. Use paper that is A5 (1/2 A4) size or smaller; and
4. Label your letter on the bottom right hand corner with your name, age and location.

Apart from this feel free to be as creative as you want with your message – poems, haiku, jokes, stories, sketches, doodles, or even origami are all welcome.

Drop your letter off at Questacon's front desk or send your letters to:

THE EARTH C/O QUESTACON (IPTLC)
PO BOX 5322
KINGSTON ACT 2604

*Earthrise is also on at Scienceworks in Melbourne so a copy of your letter may also appear there.
